BITTEN ON LEG

Col. Jess Calvert of Forest avenue
was the victim of either a snake or
a spider that has given him a very
ugly looking leg. The other other day
while out in the orchard at his coun-
try place he was stung by whatever
kind of animal it was, and upon ar-
rival at home his leg was badly swol-
len and inflamed, causing him much
pain. Whatever it was that bit him
it has caused his navigating pin to get
in bad shape and the services of a
doctor are rendered necessary.

There was a heavy falling of snow
for a few minutes early this morning.

MAYSVILLE MEN

Asked to Aid in War Camp Commu-
nity Recreation Work, Under the
Direction of Chamber of
Commerce.

At the suggestion of President Wil-
son the directors of the Maysville
Chamber of Commerce have been called
on to get their organization behind
the campaign to raise a national fund
for War Camp Community Recreation
work. The purpose of this is to in-
spire the men, increase the efficiency
and help develop the fighting spirit of
the American armed forces. Features
of this big work include the provid-
ing of wholesome, healthy environ-
ment in the communities surrounding
the ninety or more training camps
and posts.

John N. Willys, of Toledo, automo-
bile and aeroplane manufacturer, ap-
pointed jointly by Secretary of War
Baker and Secretary of the Navy De-
lles as chairman of the national com-
mittee on the War Camp Community
Recreation Fund, has written a letter
to each of the following, asking their
assistance in this vitally important
war work.

Horace J. Cochran.
James H. Hall.
Carl Dodds.
H. C. Sharp.
W. Hall Strode.
James Purdon.
N. S. Calhoun.
A. L. Merz.
Thomas L. Ewan.

The public, it is pointed out, must
be made to realize that they must
help to win the war. The "first vic-
tories" will be won in America, and
will depend on the way in which those
who stay at home receive, welcome
and hearten the men who are ready
to bleed and die that democracy may
live. The work for the soldiers and
sailors in the communities outside the
camps, should not be confused with
what is being done for their enter-
tainment and recreation by the Y. M.
C. A., the Knights of Columbus, the Y.
M. H. A., and in other ways during
their leisure hours in camp.

Mr. Willys summarizes the big pur-
pose of the War Camp Community
Recreation Fund when he says:

"The spirit of the new American
army is to be made in the next
few months. Mere numbers do not
make an army; rather, it is the men
who lack the fighting spirit can re-
treat without a struggle. The Ameri-
can boys must know that the finest
ideals of civilization are in their
hands; that the folks at home are
living and fighting in their hearts.

"Imagine your boys at a training
camp," he says. "Where shall he go
and what shall he do when off duty?
The cities, big and little, adjacent to
the camps will do their best; but
without the aid of a national fund it
will be impossible to supply the
equipment and the trained personal
service necessary to make a recrea-
tion system a thorough success.

"It is planned to furnish enlisted
men hospitality in local social circles,
to promote wholesome amusement in
public places, to supply buildings,
swimming pools, etc., and to prevent
the exploitation of the boys by com-
mercialized attractions of an unde-
sirable sort."

President Wilson, in a letter which
Mr. Willys enclosed with each of his
communications, says of the com-
munity service:

"The spirit with which our soldiers
leave America, and their efficiency on
the battle fronts of Europe, will be
vitaly affected by the character of
the environment surrounding our
military training camps."

Commenting on the acceptance by
Mr. Willys of the national chairman-
ship of the War Camp Community
Recreation Fund, President Wilson
said:

"Mr. Fosdick tells me that you have
agreed to accept the chairmanship of
the War Camp Community Recreation
Fund, and I am writing to express my
appreciation of your willingness to
serve, as well as my hopes that the
work of you and your colleagues will
meet with every success."

"Three Dollars for Each Soldier
and Sailor" is the amount required to
carry on the work for the next year.
This money will be used in a hun-
dred ways, such as building and main-
taining clubs for the men, arranging
dramatic, moving picture, musical and
numerous other forms of entertain-
ment in auditoriums, clubs, schools,
churches and private homes; in short,
to see to it that the community around
the camp is as "near like home" to
the men as possible.

WARRANT ISSUED CHARGING
MAN WITH SELLING DIS-
EASED MEAT

A warrant was issued in Squire
Fred W. Bauer's Court yesterday
charging Robert Colburn of the Or-
angeburg neighborhood with having
sold meat of a diseased animal. It is
charged that a heifer delivered to the
son of Mr. Robert Hill by the First-
Standard Bank last Saturday became
ill and was left with Mr. Colburn.
The heifer died and it is said that Mr.
Colburn butchered it and brought the
meat to Maysville and offered it for
sale.

PART OF HEIFERS PURCHASED
FOR HEIFER CLUB ARE
DISEASED

It was learned here yesterday that
several of the heifers purchased for
the boys who compose the First-
Standard Bank's Heifer Club are diseased
and it was said that some had black-
leg. The county authorities have
taken steps to inoculate the animals.
Several of the boys have already lost
their heifers, which is quite a loss to
them, as they have to be paid for.

WAKE UP! WAKE UP!
WAKE UP! WAKE UP!
America Needs Your Help

TO THE MEN AND WOMEN OF MASON COUNTY:

Your country is at war—not a sideshow war or a little Indian campaign, but the greatest war of all times. The fate of the entire human race hangs in the balance. Millions of young men and women of America are joining in devoting their entire service to their country, making huge personal sacrifices for their country's welfare, in many cases risking their lives, and often giving them up, so that the world may be made safe for democracy.

You who stay at home must do your part by lending the Government of the United States a portion of your savings to meet the expenses of the war. This does not involve any risk or loss on your part. You receive for your loan the best security in the world today, United States Government bonds paying yearly interest at 4 per cent. If these bonds are not good nothing in this wide world is good, and you may as well close up shop and quit right now.

This is not a favor we are asking of you, but a duty, and a duty of the most sacred character. If you do not buy liberty bonds now you may be forced to buy German indemnity bonds later on. The choice is obvious to any thinking man or woman. The banks of Mason County desire to arouse the men of our community from their lethargy. The war must be prosecuted to a successful close, and adequate funds must be raised to meet the war expenses of the Government. You, and this means every man or woman with a dollar to spare, should come forward at once without solicitation and lend your extra dollars to the Government.

You are taking no risk, you are granting no favor by so doing, but you are performing a duty that rests on every individ-
ual with character enough to warrant the respect of his or her fellow citizens. It is a patriotic duty which every man and woman owes to America, the champion of Liberty against Autocracy. Act today. Buy Liberty Bonds to the extent of your means. Any of the following banks will serve you free of charge.

SCHUPP PITCHES GIANTS TO VIC-
TORY—SCORE OF CLUBS
NOW 2 AND 2

New York, October 11—By defeat-
ing the Chicago Americans here today
by the score of 5 to 0, the New York
Nationals are traveling westward to-
night on even terms with their rivals
in struggle for the world's series pen-
nant. Both teams have now won two
games and it is thought that the full
seven games will have to be played to
decide the winner. Schupp, who was
knocked out in the second game of
the series, staged a comeback and
held the White Sox safe at all times.
Benny Kauff, who has been somewhat
of a disappointment thus far, redee-
med himself and broke into the hall of
fame by clouting out two home runs.
Manager Rowland of the Sox pitched
Faber in the hope that he would du-
plicate his feat when he opposed
Schupp in the second game of the se-
ries. Faber, however, was knocked out
of the box in the eighth
round, being replaced by Danforth.

The score:
Chicago000000000—0 7 0
New York000110120—5 10 1
Batteries—New York, Schupp and
Rariden; Chicago, Faber, Danforth
and Schalk. Umpires—Klem, O'Laugh-
lin, Evans and Rigler.

LESS THAN SEVEN PERCENT OF AMOUNT WANTED IN LIBERTY LOAN IS RAISED

Washington, October 11—Less than seven per cent of the \$50,000,000 which the government hopes to obtain in subscriptions to the second Liberty Loan had been subscribed at the close of business last night. Treasury officials made public the actual subscription figures tonight. The total is \$325,465,000. This figure includes every dollar reported to the reserve banks from every section of the United States. In one reserve district, however, Minneapolis, no figures were reported.

"The subscriptions indicate the necessity for the hardest kind of work on the part of the whole country for the balance of the campaign," reads the treasury department's announcement. The campaign is more than one-third gone. Fourteen working days remain.

PATRIOTIC RALLY

Of Mason County Women at Washington Opera House, Sunday, October 14, 2 o'clock P. M.—Your Country Calls.

An American soldier now in France, writes "every man and woman in the United States can play a part in this war. You may discern no relations between what you do every day in the shop or the kitchen and the military task of beating Prussianism; but there is one; for just so fast as you speed up at home, will the army speed up in France. The army in war time is the Nation, and it takes a whole nation to win."

Some people think because they have bought a Liberty Bond, or subscribed to the Red Cross, or even knit a sweater or two, they have done their bit. This is all very good work in its way and heartily to be commended, but the men and women of Mason County, and the women particularly must learn how many other ways there are in which they can help their country, and how urgent are the many needs at present.

On Sunday, October 14th, in the Opera House, at two o'clock the public will be told just what the Government expects its citizens to do, for food conservation—the most imperative call of the Nation just now. It is the duty of every man and woman to come next Sunday afternoon and give their support to this all important, Nation-Wide movement. An interesting program has been arranged and a novel feature has been added which will be sure to please.

HARD ON MA

The Bracken Chronicle says: A well-known young Bracken county farmer, who recently purchased an auto, motored to town Saturday, accompanied by his parents. After transacting their business here, father and son got in the machine and returned home, almost eight miles from town, not until which time did they realize that they had forgotten the wife and mother and left her in Augusta. The son made a hasty trip back to town after his mother.
